SOLUTION

An Easy Upgrade Solution --- SLIMdri Hand Dryer + Retrofit Kit

The best drying performance of any Surface Mounted ADA Compliant Hand Dryer

Patented **SteriTouch®**
Antimicrobial technology
reduces the spread of
harmful mold, fungi and
bacteria

SLIMdri vs. Traditional Hand Dryer

- **Faster** — 15 sec dry time, 2 times faster dry time than traditional hand dryers
- **More Flexible** — On/off heating controls, with universal voltage (110-240V)
- **More Energy Efficient** — Uses 80% less energy than traditional hand dryers
- **More Hygienic** — Automatic operation, patented SteriTouch® antimicrobial technology promotes good hand hygiene
